AGENT NEWS

Change of the departure terminal for NH211(HND-LHR) at Haneda airport from 19 July 2023

All Nippon Airways (ANA) has announced ANA international flights resume operations from Haneda Airport Terminal 2.

NH211(HND-LHR) will depart from Haneda Airport Terminal 2 from 19 July 2023.

In addition to using one of the largest international departure lounges in Japan, it will enable to connect from ANA domestic flights arriving at the same Terminal 2.

✈ Departure terminal of ANA flights at Haneda Airport from 19 July 2023

5 flights to LHR(NH211), HKG(NH859), SHA(NH969), TSA(NH851/NH853) will depart from Terminal 2 from 19 July 2023 to 28 October 2023 (subject to change depending on flight status on the day).

Other flights depart from Terminal 3.

✈ Arrival terminal of ANA flights at Haneda Airport from 19 July 2023

The arrival terminal of all ANA International flights including NH212(LHR-HND) will be confirmed on the day. Please check the latest information on ANA app and website.

✈ Reminder of Input of SSR CTCM/CTCE/CTCR to PNR

In order to provide customers with information related to flight status such as changes in departure times and terminal information in a timely manner, and to ensure appropriate handling, we would like to request that you thoroughly disseminate the operations.

<Data Entry>

CTCM	Mobile phone (A number where you can be reached at your destination)
CTCE	E-mail address (An email address where you can be reached at your destination)
CTCR	Refused (Enter only if the customer refuses to provide contact information to the airline)
